

ICON CHEER ELITE

Dear Prospective Sponsor,

Are you looking for ways to get your business name out to our community and help young athletes as well?

Sponsoring Icon Cheer Elite and their teams is a great way to advertise your business and help deserving young athletes defray the costs of competition entry fees, travel, uniforms, and tuition. Sponsorship is an opportunity for you to be involved in a vital way with a local youth organization that sees its mission not only as training athletes to succeed on the mat, but to develop them individually through teamwork, sportsmanship, leadership, scholarship, and personal responsibility.

Your business sponsorships give our nationally ranked athletes formative opportunities to train, travel, and compete against other top ranked teams throughout the country. We cordially invite you to sponsor us for the 2024-2025 season. You are not only supporting our program but profiling your own business to be recognized by our ICON community of athletes, parents, siblings, coaches, and friends.

See below the different ICON levels of support.
